## Guide Price £400,000

This exclusive development of five detached bungalows is the second release of residential properties within Lavender Fields Care Village. These much anticipated further bungalows boast additional features not seen on the original, including air source heat pumps and underfloor heating. The micro development is tucked away on the left hand side providing quick access to the hub and all of its facilities. The properties range in size and design, with prices from £400,000 – £460,000. A number of the properties have an additional living room, which could be utilised for various purposes depending on individual requirements. This is a rare second chance to acquire a lovely property on a site that has been nominated for various awards and somewhere where so many residents now happily call home.

The site has been developed to provide individuals or couples with a place to make new friends, keep active, get creative and be part of a community. Lavender Fields has many of its own amenities including a licensed bistro, tea room/café, wellness centre, hair salon with nail bar, general store with post office facilities and a cinema room, so a meal out or going to a hair appointment is but a stone's throw away.

Lavender Fields takes all this stress and worry away, not only is the site secure but there is an onsite team that looks after the day to day running of the village, meaning your property is always in safe hands whether you are home or away.

The village is located within a rural setting, away from busy roads and noise. This does not mean that you are isolated however or that driving is a requirement, as there is a shuttle bus that provides access to the local town of Pocklington and a variety of different locations. If you are active, then there are plenty of sports teams, activities and groups available in the area. There are a variety of golf courses, fishing lakes, walks and cycle routes to name but a few of the options.

The bungalows are leasehold with a 999 year term, have a peppercorn rent in perpetuity and as such there are no hidden increases for ground rent. If you decide to sell in the future, you will be happy to know that there are no exit fees! The only requirement is that one of the occupiers must have a care need due to age or incapacity. The management fee of £250 per month covers jobs including window cleaning, grass cutting, gutter clearance, removal of household waste and the maintenance of communal areas.
